

HIGH SCHOOL INTEGRATION PROGRAMME 16+

The Exeter Homestay UK Integration Programme offers the perfect way to get a taste of being a student and living in the UK and is especially useful as a "taster" for anyone considering spending more time in education here. Students spend 2, 3 or 4 weeks staying with an English family and attending a local school or college, and return home with improved English language skills, increased self-confidence and better equipped to make informed decisions about their future.

INTEGRATION / COLLEGE

School/colleges are in the South West of England, situated around the city of Exeter. The schools/colleges are Ofsted rating of outstanding and colleges offer a wide range of courses. Our school offers integration with English children, we provide a safe and supportive environment for learning and growth. International students receive English Language support and are actively encouraged to improve their language skills.

STUDY PROGRAMME

EHUK students join the English Programme in college – and integrate into English lessons in schools. Which gives the students opportunity to study English as a Foreign Language and a choice of academic or vocational subjects. It's an ideal way to improve the students English whilst also getting the chance to learn alongside British students.

We can tailor weekend activity programmes to complete this experience of British culture and lifestyle.

OUR HOST FAMILIES

Our host families are of a high standard and have experience in hosting students from other countries. EHUK is in constant communication with students and families and there is a 24-hour emergency phone to offer help and support. Most families are within 30-minutes travel time from the college.
