2. The host family is responsible for the duty of care to all students and must have relevant home insurance for any wear and tear damages.

7. The host will agree to provide a DBS certificate before we can allocate students for hosting. One main primary Carer needed for our mini stay groups, all other under 18 students will need all 18+ members of the household to hold a DBS.
8. Any problems/complaints/medical issues which arise during the student visit. The point of contact is daily: our Meet & Greet or the Group Leader travelling with the group, will be responsible for most medical issues.
9. On arrival for each group you will be emailed/given an arrival letter, which will have your point of contact for each group of students & on collection bring you ID Name card to collect your students.
