

Exeter Homestay UK Ltd

For Students...

How we can help...

At EHUK we pride ourselves on home stay accommodations. We offer a quality service for home stays in Exeter and surrounding areas, for children, groups and 18+ traveling or living in the UK. We welcome students anytime of the year and can help you with your accommodation with a host family in Exeter and the surrounding areas.

We have an experienced team consisting of enthusiastic admin staff, teachers, private tutors, activity leaders and host families. All of our students will stay with our professionally selected host families during their stay, who are all committed to the highest level of care and support, we are available to help during your stay.

Our aim is to improve our students English by increasing their confidence and communication skills, through fun and innovative learning, which is further enforced outside the classrooms during activities, cultural visits, training and specialist sports programmes. Students come away with not only the skills and experience above but a lasting memory, and exciting cultural escape and newly made friendships.

“Exeter Homestay helped me find accommodation whilst I was studying in Exeter university for my business course.”

- P.P
