COMING TOGETHER FOR THE HEALTH OF OUR COMMUNITY

To help us adhere to the spread of COVID-19, all host must agree to the following practices

HANDS   FACE   SPACE

Host and Guest Requirements

➢ Wear a mask and practice social distancing, when interacting in person, hosts and guest must wear a mask
➢ Always maintain distance of 2 metres (6 feet) from each other.
➢ Self-Isolation: The student may need to self-Isolate in their room for 14 days after arrival, please ensure they do this to avoid any spread

Follow our 5-step enhanced cleaning process, this Agreement needs to be adhered for everyone to become a new host family for us
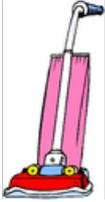

➢ Requirement of all host and student to follow our 5-step enhanced cleaning process for each arrival and departure

Mask and Social Distancing

Based on Government guidelines all guest and host must agree to:

➢ Wear a mask or face covering when interacting with a person

➢ Always maintain 6 feet (2 metres) from each other

➢ To check government guidelines regularly for any changes in the country or are you are staying.

➢ www.gov.uk-coronavirus

	Step 1 - Prepare ➢ Ventilate and air room before and during cleaning ➢ Use disinfectants approved for use against COVID19 ➢ Wash or disinfect all areas and wear a mask and gloves while cleaning
	Step 2 - Clean ➢ Sweep, vacuum, dust and mop all areas in the room before sanitising ➢ Wash all dishes and laundry at the highest heat setting possible ➢ Wipe down hard surfaces with soap and water
	Step 3 - Sanitize ➢ Spray all surfaces in each room with a disinfectant spray ➢ (bed frames, shelving, chest of drawers, desk, lamp, wardrobes. Light switches and door handles) ➢ Allow all surface to air dry
	Step 4 - Check ➢ Have a room checklist with a date and signature column placed in room ➢ Ensure that all areas are cleaned and sanitised between each stay ➢ Leave the checklist in the room for the student, cleaner or host family to see
	Step 5 - Reset To help prevent the spread, it is important to finish cleaning and sanitising a room before replacing items for the next student arrival: Be sure to: ➢ Wash your hands and replace or wash gloves ➢ Safely dispose of cleaning materials and protective gear ➢ Do not re-enter a room once it has been sanitised and cleaned ➢ Empty or clean your (hoover, cloths, between each student)
